Dear Dr. Khadija Kassachoon

Re: Repeat of KCM – CSOs Elections.

We write with regard to the above matter.

We welcome the KCM decision that the CSOs elections be repeated. We also welcome the suggestion that the KCM secretariat can help with the drafting of the elections procedures and process.

So that we do not end up with the challenges encountered during the previous elections, we ask that the below be shared with all interested before the said elections.

- Revised KCM Constitution
- The GFATM CCM Guidelines on eligibility requirements (revised to suit NFM requirements).

Further that even though the KCM Secretariat is helping with the CSOs elections procedure, the said procedure and process be put into use only after an agreement by CSOs as stipulated by the GFATM CCM Eligibility Requirement # 5.

More importantly, we invite members of the other KCM Constituencies and particularly those from the government constituency and KCM Secretariat to attend the elections and act as Observers of the process.

Thanking you.

Executive Director, NEPHAK/KCM Member, Communities.
